AB Pattern Matching

Suggestions;

1. Print out pages 2 and 3
2. Glue them into a manila folder.
3. Laminate the folder to make it more durable
4. Place 4 pieces of velcro next to each patten
5. Place 12 pieces of velcro below the black line for spare pieces needed for the pattern on that page.
6. Laminate page 4
7. Cut out pieces and place velcro on each
8. Arrange pieces on the bottom of each page to match the items given on that page
9. Modify to meet individual needs of your students!
