Reading to and with children is extremely important in fostering academics, higher vocabulary skills, and overall reading ability. Not only is it important to be able to read the words but also to comprehend what the story is about.

By using dice, with various open-ended questions, checking comprehension while reading can be a fun game! Here you will find the template for the dice.

Simply cut out along the outside lines, fold, and tape together!

## Materials Needed:

- Paper or Cardstock **Optional:**
- Activity (p.2-7)
- Tape or Glue

## Directions:

1. Print out pages 2- or 3, depending on if you want a colored die or a plain die.
2. Cut out the die.
3. Fold along the edges, and tape together using the tabs.

## Using the Dice:

1. Read a story or have individuals read one.
2. Have individual roll the die.
3. Answer the question on the die as it relates to the story.
4. Individuals can think up multiple options they think apply.
5. Have fun!

**Optional:** Use Reward schedule if needed. *For additional information, see Reward Schedules How-To Template.*

Materials provided are **samples only!**  
They may need to be individualized to meet the particular needs of a person with ASD!
